PETITION TO ACCEPT UNINTENTIONALLY DELAYED BENEFIT CLAIM

Applicants hereby petition under 37 CFR §1.78(a)(3) that an unintentionally delayed benefit claim under 35 U.S.C. §371 be accepted for the above referenced application. The priority claim should read as follows:

This application is a continuation of U.S.S.N. 09/230,781, filed January 29, 1999 (now U.S. Patent No. 6,392,036), which is the National Stage application of International Application No. PCT/SE98/02039, filed November 11, 1998, which claims the benefit of Swedish Patent Application No. 9704186-7, filed November 14, 1997. The contents of these applications are incorporated herein by reference in their entirety.

An amendment to add the priority claim to the specification is included in the Amendment in Reply to Office Action filed herewith. While Swedish Patent Application No. 9704186-7, filed November 14, 1997, appears correctly on the Official Filing Receipt mailed December 31, 2001, International Application No. PCT/SE98/02039, filed November 11, 1998, does not appear on the Official Filing Receipt. Applicants request that a corrected filing receipt be mailed to reflect International Application No. PCT/SE98/02039, filed November 11, 1998 in the chain of priority.

The entire delay between the date the claim was due under 37 CFR §1.78 (a)(2)(ii) and the date the claim was filed was unintentional.
